# 12th Hawkeye Downs Shorthorn and 21st Hawkeye Downs Polled Shorthorn **SHOW AND SALE**

**HAWKEYE DOWNS FAIRGROUNDS**

**CEDAR RAPIDS, IOWA**

**FRIDAY, MARCH 20, 1959**

**THE SHOW: 9:00 A. M.**

**THE SALE: 12:15 P. M.**

Hawkeye Downs has become recognized as a very fine place to buy quality Shorthorn and Polled Shorthorns. Our breeders like to sell here and large crowds of interested people attend these offerings to make their selections. We invite them to return and others to join the long list of buyers.

**For this offering we have:**

### **SHORTHORNS:**

**17 Bulls — 14 Cows and Heifers — 13 Club Heifers**

### **POLLED SHORTHORNS:**

**17 Bulls — 10 Cows and Heifers — 2 Club Heifers**

Several cows have calves at side or very close to calving and others bred for later calves.

E. W. Mauer, KaDel Urice, Loyd Beecher and Bill Moore will compose the sale committee from the consignors of both auctions to act as consultants and assistants to the sale manager.

We will again weigh the bulls as they come from the show ring and announce their weights. During the judging we will alternate between the two branches so as to speed up the work.

The consignors and sale manager desire to become acquainted with you on March 20.

**PLEASE NOTE:** We will have a dinner meeting at 6:30 the evening of March 19th at Bishops Cafeteria in Cedar Rapids. Simply go thru the line and when you get to the end of the line ask: "Where is the Shorthorn cattlemen's dining room"? They have reserved a separate dining room for us. We invite people who are interested in our kind of cattle to dine with the consignors and managers that evening. I will stop at Hotel Allison, next door to Bishops the night before the sale.

**EARL S. GIRTON, Sale Mgr.**  
**Box 321, Marshalltown, Ia.**

**PLEASE BRING THIS CATALOG TO THE SALE WITH YOU.**

The sale manager can handle your livestock insurance needs thru the  
American Livestock Insurance Co., of Geneva, Ill.

BROOKSIDE CLARET - Is truly a great cow -- in size, in type, in conformation, in productivity and in pedigree. Weighs approximately 1,550 pounds after nursing a fine heifer calf until February 1, . Now nearly 10 years old, she has produced an excellent calf year after year. Her mother, bought by my father (the late J.L. Reece) for exactly \$1,000 continued to breed until her 14th year. Please note the load of Goldfinder blood in this cow's pedigree. She is a maternal granddaughter and a paternal great granddaughter of the famous Supreme Goldfinder; a paternal granddaughter of the \$18,000 Gold Accent; with Golden Countess, Gold Nugget, Goldfinder Diamond, Goldspur's Favorite and Silver Command all piled up in three generations. I dislike to part with her. She is one of my faithful foundation cows. But she's getting along in years (so am I) and because I have passed 70 am beginning a sharp reduction in this herd established by my father in 1887. Brookside Claret should be a valuable addition to any herd and merits mating with the best of good sires. A light milker in one quarter. Bred November 15 to our herd bull Edgardo of Brookside 2873-097
